

Primary Class Ages 6 - 9 years

We invite you to join us in the Primary class at Cornerstone Fellowship. The age group is 6 - 9 years and is an educational, fun, and exciting class for the youngster. Mrs. KK Morelock is the Sunday morning teacher, with Miss Brittany Booth leading the children on Wednesday evenings.

Bible studies are an integral part of the Primary class. Upon entering the class, the student will be taught the ABC's of salvation (Ask, Believe, and Confess). Our utmost desire is to see children give their hearts and lives to the Lord. Other scriptural teachings include memorizing both the Old and New Testament books of the Bible, being introduced to Bible stories, and quoting various scriptures from memory. We encourage learning the "old time" songs and stepping forward to sing before the congregation as the Spirit of the Lord leads.

Our class motto is "Obey right away." Obedience is not doing what we want when we want, it is doing what the Heavenly Father instructs as he bids. Obey right away, and join us in the 6-9 year old class.
